THE CHALLENGE

Following the catastrophic events of last September 11th, The Square Mile Golf Challenge will bring together teams of golfers from City companies to raise funds for the Cantor Fitzgerald UK Charitable Relief Fund.

Open to players of any standard, this 20-team corporate golf day aims to raise a significant donation to the fund.

This event is one of the few opportunities available this year to illustrate consolidated support from the City as well as providing great golf in stunning surroundings and a chance to network and spend time with your team mates.

Based at the Buckinghamshire Golf Club, rated as one of the top 100 courses in the UK, the day offers exciting golf in a magnificent parkland setting bordered by the Rivers Colne and Misbourne. The superb John Jacobs layout will offer a challenge to every standard of golfer.

The format of The Square Mile Golf Challenge is a Stableford competition with the best team score achieving The Square Mile Golf Challenge Cup. There will also be prizes for runners-up as well as an individual prize for the best player of the competition. In addition there will be nearest-the-pin and longest drive competitions.
